Facebook Account Settings interface. The top navigation bar includes the Facebook logo, a search bar, and links for Home and Create. The left sidebar lists various settings categories: General (highlighted with a blue arrow), Security and Login, Your Facebook Information, Privacy, Timeline and Tagging, Stories, Location, Blocking, Language and Region, Face Recognition, Notifications, Mobile, Public Posts, Apps and Websites, Instant Games, and Business Integrations. The main content area shows the 'Account Settings' page with sections for Username, Contact, Ad account contact, Memorialization Settings, and Identity Confirmation. A red rounded rectangle highlights the main content area. A feedback bar at the bottom asks 'Did you find what you needed?' with options 'Yes', 'No', and 'I didn't need anything specific'.

Facebook Security settings interface. It includes sections for 'Change password' (with an 'Edit' button), 'Save your login info' (with an 'Edit' button), and 'Two-Factor Authentication'. The 'Two-Factor Authentication' section is highlighted with a red box and contains the following items: 'Use two-factor authentication' (with an 'Edit' button and a red arrow pointing to it), 'Authorized Logins' (with a 'View' button), and 'App passwords' (with an 'Add' button). A watermark logo for 'MBSMGROUP' is visible in the background.

If we notice an attempted login from a device or browser we don't recognize, we'll ask for your password and a verification code.

### Select a Security Method

#### Authentication App

**Recommended** · Use an app like Google Authenticator or Duo Mobile to generate verification codes for more protection.

[Use Authentication App](#)

#### Text Message (SMS)

Use text message (SMS) to receive verification codes. For your protection, phone numbers used for two-factor authentication can't be used to reset your password when two-factor is on.

Phone number

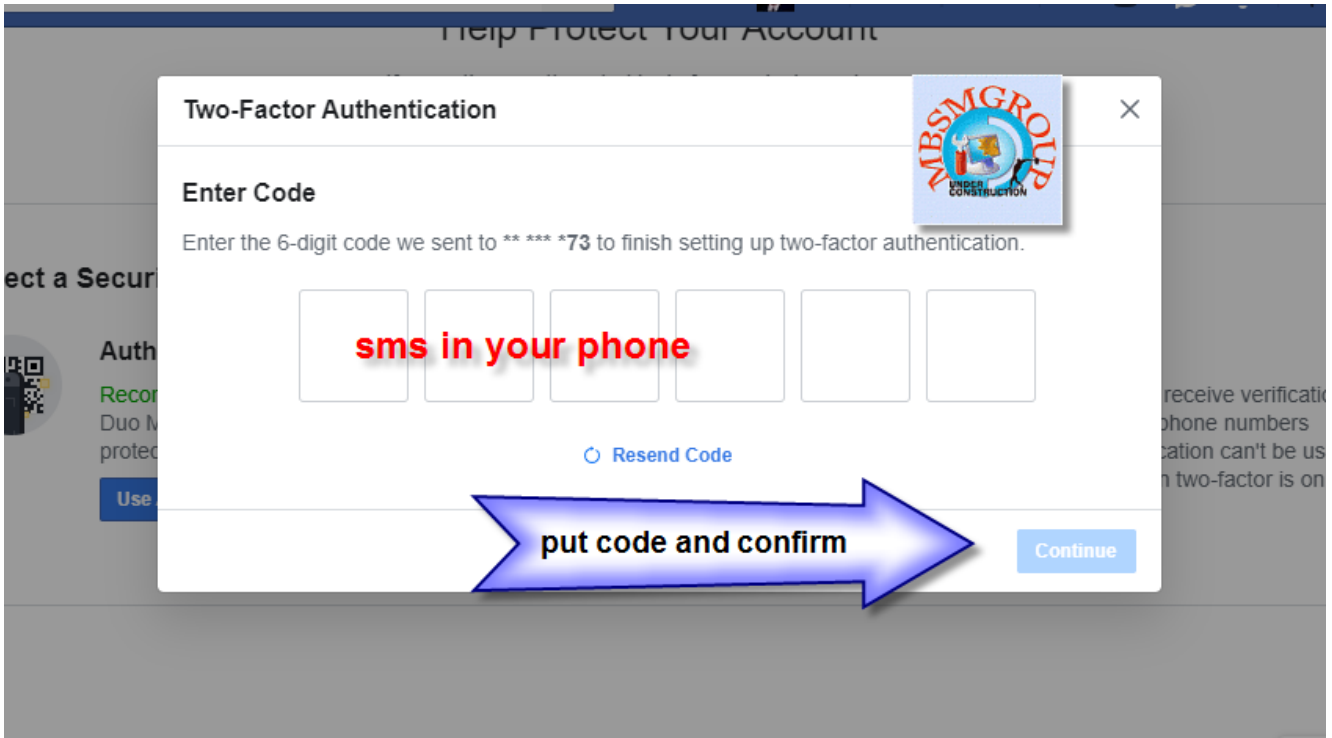

This phone number will be enabled for two-factor authentication and login. We may also use the number added here to help protect our community, accurately count people who use our services, and assist you in accessing Facebook and opt-in programs, but not for purposes such as suggesting friends or providing ads. Only you will see this number on your profile.
